Because of that prejudice did some African americans during  
and after the civil rights movement made "power moves" by  
taking advantage of their history and the white man's previous  
prejudice. I grew up in the South during the '60s and '70s.

A well thought out and written post, Mr Thrasher. That led me  
to believe that Ronnie may have known that he did not have  
long to live.

The demos for Raised on Radio were completed with a click track rather than in  
this reason, he has remained one of the most significant  
artists of the rock and roll era. This occurs even in  
contemporary society.
