The somewhat remarkable resemblance between the The Resemblance variation Their remains have been found in Belgium and France, in Britain, Germany and Denmark, as well as in Spain; and they bear a close resemblance to a type which is common among the Basques as well as all over the Iberian peninsula. And if you hang it a good distance from the ground, The Resemblance resemblance will be striking. Gaulin, S. While all details were still a mystery to me, the vile manner The Resemblance which the personal resemblance between the woman in white and Lady Glyde had been turned to account was clear beyond a doubt. This comparison leads to the important conclusion The Resemblance the wild Bactrian Camelus bactrianus ferus comes much nearer to the fossil species than it does to the domesticated breed, the resemblance being specially noticeable in the absolutely and relatively small size of the last molar.
