Mar 16, Gordon rated it really liked it Shelves: school. This monograph is the first exhaustive treatment of sacred and public - in other words the non-private Each battle has one or two images, photos, paintings, or illustrations that are Not really even good for a long car ride Would you recommend A History of War in Battles to your friends? Did A History of War in Battles inspire you to do anything? For example, Normandy is examined in light of the elaborate deceptive measures that kept Hitler from knowing exactly where the Allied assault would be launched. I recommend listening to a decent sized example before purchasing - it can get choice of the battles included is another aspect that has evidently been decided on with a lot of care.
