Carolyn presents an outsider-looking-in perspective with the goal to inspire others to think of nurses in a way that they may never have before and to raise the volume on the voices of nurses. Is it for nurses only? If you don't understand the importance of integrating your All Together Now: Vision and that of Leadership organization you work with, along with your values and passion, to your leadership style, and your mental, physical, and spiritual wellness after reading this -- you never .
