Somatic Experiencing Trainer. It was not until Chrysippus c. TimteachesDeepTissue, ShiatsuandTraditionalThaiMassageandmaintains Let them know by what you do that there are other options than merely following rampant consumerism, that they can, through their financial and personal choices, bring about real change. Chapter 1 - Money and Me, Money and Us The book opens with what could best be described as an introductory chapter, outlining how many people separate their soulful life the one centered around their values and their financial life the one centered around their money. A year-long journey. Thank you for also sharing your trainings with my wife and I. If I got nothing from this Art of Money besides the concept of money dates and support for putting them into place, the whole thing would be worth it.
