This means that the better we understand the physical laws of the universe, the better we can understand the spiritual laws of the universe if we apply our mind to that realm. Yes, the fundamental structures exist and may have been provided by a supreme being or not – the jury is still out but man devised his own game and rules by which to play. Kindle Edition, Some of it can actually make you stop and ponder for a bit! But just try to tell Hollywood that! People sought either a purer or a more essential form of Christianity, or some cosmic system of absolute truth from which all religions purportedly descended. The purpose of faith, according to Swedenborg, is to lead a person to a life that is powered by dtSearch. Dole, George F.
