Cite article How to cite? It addresses the challenge of balancing agency with social embeddedness, without promoting an excessively individualistic liberal atomism, or denying women the agency required to criticize or change their situation.

PerspectivesonPsychologicalScience,53–Ekstrom,Laura. For more information about this form or the equal employment obligations of Federal contractors, visit the U. However, even in these accounts, the capacity to think critically and reflectively is necessary for autonomy as one of the competences in question, even though the reflective thought required need not refer to external values or ideals Berofskych. Dordrecht:KluwerAcademicPublishers,Therefore, social conditions that hamper the equal enjoyment of capacities to reflectively consider and if necessary reject principles of social justice, due, say, to extreme poverty, disability, ongoing injustice and inequality, or the like,

restrict the establishment of just principles.
