This is provoking a global search for a realignment of several regimes in crisis with whoever can do this in one way or another, and China has a lot of idle capital. The 5 Stars have often resorted to an anti-European rhetoric, but in the last period they toned this down for example by abandoning the slogan for a referendum on the euro in order to gain credit with the Italian bourgeoisie as a reliable party of government. This book explodes the myth of "China's Rise", reveals the truth about how China's economic policies have been misguided by neoliberalism. TelegraphonFacebook.In Jeremy Corbyn was elected leader of the Labour Party by an accident, but was immediately met with massive opposition from the Blairite wing of the party. Again the consequences have been hugely uneven.
