Brubaker and Zimmerman write clear and concise chapters on each of these elements, helping us to think through how they might work in our own organizations. Grand Rapids: Brazos Press, Your .

His final prayer in the book sums up the message of the reflections perfectly: This will not only change the face of the Christian faith in Canada, in ways dramatically different from in the USA, but also have a profound effect on the ways the common good is served in the country. Healthy relationships arise from mutual respect and collaboration. This, according to the writings attributed to the prophet Micah, is what God desires . If you are interested in the practical side of the contemplative tradition in is the justice and kindness that flow into the world as blessings from these formative activities.
