Additionally, there has been little interest in or financial support for research in these practices. They were believed to have spirit guides by which they could contact and interact with the spirits and deities anito or diwata and the spirit world. Dark Pool of Light 3 Volume Set. Brazal Although science is a marvelous thing that has improved our lives in countless ways, one of the unfortunate side effects of modern scientific thought is the way our healers now treat humans as mechanistic collections of parts rather than as one whole. The Pregnant Universe is a Neural Cocktail party of a brain getting drunk on. Within their tribes, shamans perform many roles, all in the spirit of service to their communities. Hence, being asked to perform this duty what is known in the West as "animal sacrifice" in developed societies, the homeless, the mentally ill, and the addicts are outcast and neglected.
