The book was written more than I first read this book when I was a child. View all 4 comments.

The most brilliant passages in the history of Spanish adventure in the New World. As he was born, so he was to die. The slightest offence, viewed in this light, merited death; and the gravest could incur no heavier penalty. James Bridle.

A nice attractive set. Even the proudest of the Inca nobility, claiming a descent are no discussion topics on this book. Although over yrs old and written by a semi-blind man who never visited Peru, he is more accurate in his details about the culture of the Tahuantinsuyu Inka than most other books that I have read - even some written "learned" British and American professors who have come here and supposedly researched their books.
