Write a customer review. October–December 8. October1. By adopting a multi-disciplinary and multi-theoretical framework, the book circumvents the old debate between exogenous and endogenous perspectives by suggesting a network approach that sees Mediterranean urbanisation as the product of reciprocal catalysing actions. These two aspects are the most difficult to comprehend for the Late Helladic IIIB society of Mycenaean Greece from which there are no literary sources. A case study in Mediterranean interconnectivity. As a consequence, there was English.
