Table 2. Believe it or not, President Donald Trump has adopted feng shui strategies. If you watch enough TV, you may think that Feng Shui is a collection of quasi-spiritual laws around the placement of objects, practiced in the same sphere as palm reading and water divination. MAK;AlbertT. Feng Shui is not all about tradition. Account Options Sign in. Don't have an account? All rights reserved. He cunningly explained why Feng Shui predictions are not superstitious nonsense and explained the logical base: The unique feature of the Chinese calendar is that all information about time – year, month, day and hour are presented in terms of the five basic elements – metal, water, wood, fire and earth, which are believed to be the basic components of everything in the Universe.
