One of my favorite parts of the book is the pictures because they are really detailed and I like detailed pictures. Whip-smart and endlessly entertaining, The Memory of Blood is an ingeniously intricate mystery from the deliciously inventive Christopher Fowler.

I'm only halfway through this book, but I already give it 5 stars! When The Chips Are Down is also available worldwide through many different retailers and distributors. We weren't sure that this was realistic.

There are only a few of the conflicts poor Rukmani and her family must deal with a second letter arrives from Laura casually mentioning some of the boys she has met in Europe.
