Men Without Work By one reading, things look pretty good for Americans today: the country is richer than ever before and the unemployment rate is down by half since the Great Recession—lower today, in fact, than for most of the postwar era. The main reasons for this have been the role played by governments as well as by big tech companies.

Published: Bloomsbury Continuum—July 2nd, A mostly interesting set of essays The theme of this book is, clearly, threats to our freedom. Rolling back gains The political changes in Africa in the s saw many countries adopt multi-party politics.
