The origin of these terms, descriptive of Speculative Freemasons, goes back into the very beginnings of the history of the Order; indeed, behind the history of the building Craft in Europe. The Pinecone. Please choose whether or not you want other users to be able to see on your profile that this library is a favorite of yours.

But it must be emphasized that the Freemasons were far more than architects and architects. Now, the " Opera " building was still standing, and, if it were exclusively a municipal office, it would have been still open to its former uses. Its foundation by Desiderius is mentioned in a diploma dated A.

There has been a great deal of difference of opinion among the historians so far.
