This conference bears a clear Zionist goal, aimed at forging history by hiding the truth about the so-called Holocaust, which is an alleged and invented story with no basis. O Allah, destroy the Americans and their supporters. No more relying on the fleeting kindness of Christian princes or the caprice of Ottoman viziers.

They appear to operate at times independently of Hamas, exercising a certain Rashida Tlaib came out against anti-boycott legislation.

Government lawyers then told the plaintiffs and Hazel that they were dropping the matter, and that the census would be printed without the question.

So, we are all condemned by the law of perfection and the sins in our own hearts.

Although Israel sent out thousands of cell-phone messages urging residents of Gaza to leave houses where weapons may be stored, in an attempt to minimise civilian casualties, [] some residents complained there was nowhere to go because many neighborhoods had received the same message.
